Period covered: October 1, 2020 to December 31, 2020

The above table and line graphs are provided to show the frequency at which the closing price of the Fund was at a premium (above), discount (below) or equal to the daily net asset value (“NAV”) as compared to the Fund’s NAV.

Content herein provides premium/discount data for the recently completed calendar year and the most recently completed calendar quarters since that year (or the life of the exchange-traded fund, if shorter).

Premium/discounts are as of the end of each business day. Rounding is to the hundredth decimal point.
